

HOST A MOVIE MEETUP

Bring movie geeks together in real life

Pick a film, choose a cinema or cosy living room, and set your ideal time. We'll help you keep track of who's coming.

1. Choose a movie

Search our TMDb catalogue and lock in the exact title and year.

2. Set the vibe

Give your meetup a punchy title and short description so people know what to expect.

3. Share & fill seats

Share the link with friends or the community and track participants in real time.

Under 2 minutes to set up

Powered by TMDb

Meetup details
